Description

This 4 year framework provides for works and services to residential properties (although not exclusively) and associated communal areas for decoration works and related activities and includes cyclical responsive repairs, provision of void works, new build and regeneration works. Suppliers will provide services to prepare, coat, paint, decorate and clean internal and external surfaces as required by the Member. These services may be required in domestic properties (occupied and unoccupied), communal areas of domestic blocks, specialist housing, commercial premises and public buildings.

The services and/or works required under the framework shall be for a range of CHIC members and therefore a mixture of properties and blocks under their asset management programmes. The Framework will provide national coverage across the United Kingdom (UK).
