### **Scope**

### **Reference**

CSC25128

### **Description**

Tender is for an open framework of providers for overnight short breaks for children with disabilities.

The intention is for the framework to have 2 lots;

- Lot 1 - Overnight Fostering short breaks
- Lot 2 - Overnight Residential short breaks

The intention would be to open annually for any new suppliers to join, expanding the number of overnight short break places available and using a competitive, call-off process to source individual placements.

Existing arrangements for children/young people using the current Independent Fostering

Agency would continue as it would be in the best interests of the children and families to maintain these established relationships.
