Engagement

Engagement deadline

18 December 2025

Engagement process description

Suffolk County Council propose to hold informal sessions with interested parties who may be able to provide Fire Behaviour Training Containers via Microsoft Teams on 15, 17 or 18th December 2025.

Each session will last approximately 30 mins in which Suffolk County Council will briefly set out our requirements, then invite each supplier to respond and pose any questions they might have about the contract or the procurement.

Note that the consultation may be recorded or notes taken to ensure that the resulting tender pack provides information such that all bidders have the same information and no potential bidder unable to make the dates is disadvantaged.

Suffolk County Council would like to explore the following topic

- Any innovation with recent fire behaviour unit builds

Interested Parties should contact Mandy Brown by 5pm on 11th December 2025 to allow timeslots to be arranged.

We look forward to your participation and contributions.

Suffolk County Council has joined the government's Devolution Priority Programme (DPP), a fast-track programme towards devolution and local government reorganisation.

Under the DPP it is proposed that:

- a) a Mayoral Combined County Authority (MCCA) for Norfolk and Suffolk is established, with strategic powers and headed by an elected mayor ("Devolution").
- b) the existing two-tier council structure in Suffolk is abolished and replaced with one or more unitary councils covering the current geographical boundary of Suffolk ("LGR").

It is possible that both, one or neither of these changes will happen. These changes are declared as known risks as we do not yet know the implications of Devolution and/or LGR.

As a result of LGR and Devolution, contract modifications may be necessary to novate, transfer or disaggregate the contract from the one you entered into to one or more successor authorities or the MCAA. Impacts could include changes to geographical boundaries, significant increases and/or decreases in the goods and/or services required due to the change in size/scope of any successor authority or the MCAA. This may also change the scope of the contract
