### Description of risks to contract performance

The following risks could occur which could affect contract delivery or performance:

Changes in laws or regulations resulting in a need to amend the Contract timescales, costs, deliverables or scope.

Unexpected delays to delivery timescales due to either Authority, Contractor or third party actions resulting in a need to amend the Contract timescales, costs, deliverables or scope.

Unexpected changes to costs due to either Authority, Contractor or third party actions resulting in a need to amend the Contract timescales, costs, deliverables or scope.

Unexpected changes to volume of deliverables due to either Authority, Contractor or third party actions resulting in a need to amend the Contract timescales, costs, deliverables or scope.

Unexpected changes to scope of deliverables due to either Authority, Contractor or third party actions resulting in a need to amend the Contract timescales, costs, deliverables or scope.

### **Conflicts assessment prepared/revised**

Yes

---

## **Procedure**

### **Procedure type**

Open procedure

### **Justification for not publishing a preliminary market engagement notice**

In this instance, a preliminary market engagement notice was not published because the need for this requirement was only identified and developed within the last three months. Therefore, issuing an advance notice so close to the release of this Tender notice would not have been beneficial.
