### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The Cabinet Office considers that the amendments set out in this VTN are permitted pursuant to Regulation 72(1)(b) of the Public Contracts Regulations 2015 (PCR), which permits the modification of contracts without a new procurement procedure in the following circumstances:

for additional works, services or supplies by the original contractor that have become necessary and were not included in the initial procurement, where a change of contractor-

(i) cannot be made for economic or technical reasons such as requirements of interchangeability or interoperability with existing equipment, services or installations procured under the initial procurement, and (ii) would cause significant inconvenience or substantial duplication of costs for the contracting authority, provided that any increase in price does not exceed 50% of the value of the original contract.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £302,180
