## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Domestic Repair & Maintenance Framework Agreement

Reference number

CT1512

#### **II.1.2) Main CPV code**

- 45211000 - Construction work for multi-dwelling buildings and individual houses

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

The City of Edinburgh Council wishes to appoint contractors to a Framework Agreement to deliver repairs and maintenance works to the Council's domestic estate. The Framework Agreement will be utilised to support the Council's internal team for specialist works and services, and in times of high demand.

The services will be required in three main operational areas:- Responsive Repairs, Empty Homes and Planned Works. The size and nature of the works will vary widely, but to give an indication of the scale, it may consist of works such as minor repairs to taps up to a full bathroom installation, small repairs to previous installed electrical components to full rewire of properties, external door painting to full decoration of properties, plastering patch work to skim coating walls and ceilings.

The Framework is split into 5 Lots:

- Lot 1 – Internal Works
- Lot 2 – External Works
- Lot 3 – Jetting & Drainage Works
- Lot 4 – Preservation Works
- Lot 5 – Scaffolding Services

The estimated value of the Framework Agreement is GBP10,000,000 – GBP12,500,000 per annum and the Framework Agreement will run from 1st April 2026 – 31st March 2030.

#### **II.1.5) Estimated total value**

Value excluding VAT: £50,000,000

#### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

### **II.2) Description**

## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.2) Economic and financial standing**

List and brief description of selection criteria

Part IV: Selection Criteria - B: Economic and financial standing – Question 4B.1 -  
Tenderers are required to have the following minimum “general” annual turnover for each respective Lot/sub-Lots for the last two financial years.

Lot 1

- A minimum “general” annual turnover of 1,500,000 GBP for each of the last two financial years.

Lot 2

- A minimum “general” annual turnover of 1,500,000 GBP for each of the last two financial years.

Lot 3

- A minimum “general” annual turnover of 500,000 GBP for each of the last two financial years.

Lot 4

- A minimum “general” annual turnover of 1,000,000 GBP for each of the last two financial years.

## Lot 5

- A minimum “general” annual turnover of 1,000,000 GBP for each of the last two financial years.

Where a Tenderer does not have an annual turnover of this value, the Council may exclude the Tenderer from the competition or may apply discretion seeking supporting evidence to determine the Tenderer’s suitability to proceed in the competition.

Part IV: Selection Criteria - B: Economic and financial standing – Question 4B.4 - Tenderers will be required provide the following information in response to 4B.4 for all Lots:

- Current ratio for Current Year: 1.20
- Current ratio for Prior Year: 1.20

Part IV: Selection Criteria - B: Economic and Financial Standing – Question 4B.5 - Tenderers are required to hold, or commit to obtaining prior to the commencement of any subsequently awarded contract, the types and minimum levels of insurance indicated below:

- a. Employer’s (Compulsory) Liability Insurance – GBP10m each and every claim
- b. Public and Products Liability Insurance – GBP10m each and every claim
- c. Contractors All Risk – Contract Works insurance with a Limit per Contract of not less than the value of the works plus 15%
- d. Professional Indemnity Insurance – GBP5m in the aggregate

Tenderers must note that the above figures are the minimum levels of insurance required to be awarded onto the Framework Agreement.

### **III.1.3) Technical and professional ability**

List and brief description of selection criteria

Part IV: Selection Criteria – Prompt Payment – Question 4C.4 –

It is a mandatory requirement of this Contract that a prompt payment clause is present in all Contracts used in the delivery of the requirements. This ensures payment of sub-contractors at all stages of the supply chain within 30 days and includes an obligation to provide a point of contact for sub-contractors to refer to in the case of payment difficulties.

This will require active monitoring of payment performance as well as the provision of evidence and reports to the Council on request or as contractually scheduled.

#### Part IV: Selection Criteria – Living Wage Payment – Question 4C.5 –

Tenderers are asked to confirm that they will pay staff that are involved in the delivery of the contract (including any agency or sub-contractor staff directly involved in the delivery of the contract), at least the real Living Wage. Tenderers should confirm that this condition will be met within the response to this question. Please note that tenderers who fail to answer “Yes” to this question may not have their tender considered further or proceed to the Price/Quality ratio calculation.

#### Part IV: Selection Criteria – Environmental Measures – Question 4C.7 –

Tenderers will be required to provide evidence that their organisation has taken steps to build their awareness of the climate change emergency and how they will respond. Accepted evidence includes but is not limited to:

- A completed copy of “Annex 4 - Bidder Priority Contract Climate Change Plan – Blank Template” including planned projects and actions to reduce the Tenderer’s carbon emissions. This does not need to contain calculated carbon emissions.

Where a Tenderer’s response is of a less than the acceptable standard, the Council may exclude the Tenderer from the competition or may apply discretion seeking supporting evidence to determine the Tenderer’s suitability to proceed in the competition.

#### Part IV: Selection Criteria – D: Quality Assurance Schemes & Environmental Management – Question 4D.1 –

##### Requirement - Quality Management Procedures

The bidder must hold a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent).

OR

If the bidder does not hold UKAS (or equivalent) accredited independent third party

certificate of compliance in accordance with BS EN ISO 9001 (or equivalent), then the bidder must have the following:

A documented policy regarding quality management. The policy must set out responsibilities for quality management demonstrating that the bidder has, and continues to implement, a quality management policy that is authorised by their Chief Executive, or

equivalent, which is periodically reviewed at a senior management level.

The policy must be relevant to the nature and scale of the work to be undertaken and set out responsibilities for quality management throughout the organisation.

#### Requirement - Health & Safety Procedures

It is a mandatory requirement that Tendering Organisations with more than 5 employees have in place a Health & Safety Policy which is approved at a senior level within the Organisation and is reviewed regularly. Tenderers should confirm that this condition has been met within the response to this question.

Where a Tenderer does not have a Health & Safety Policy and is required to do so, the Council may exclude the Tenderer from the competition.

NOTE: Organisations with fewer than five employees are not required by law to have a documented policy statement.

### **III.2) Conditions related to the contract**

#### **III.2.2) Contract performance conditions**

This Framework Agreement shall include a Community Benefit Clause

#### **III.2.3) Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Open procedure

#### **IV.1.3) Information about a framework agreement or a dynamic purchasing system**

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 22

**IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

## **VI.4) Procedures for review**

### **VI.4.1) Review body**

Sherriff Court

Sherriff Court House 27 Chambers Street

Edinburgh

EH1 1LB

Country

United Kingdom

### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

A tenderer that suffers loss as a result of a breach of duty under the Public Contracts (Scotland) Regulations 2015 may bring proceedings in the Sheriff Court or the Court of Session. The City of Edinburgh Council (the Council) will have a minimum standstill period of 10 days before awarding the contract. The communication of the award decision notice will be sent by fax or e-mail to all tenderers with the standstill period commencing on the next day. If proceedings are started in the Sheriff Court or the Court of Session against the Council in respect of the decision to award the contract within the standstill period then the Council is prevented from awarding the contract. Post contract award the Sheriff Court or the Court of Session may (1) award damages provided proceedings are brought within 3 months from the date when the grounds for the bringing of the proceedings first arose (2) be entitled to issue an ineffectiveness order or impose a financial penalty on the Council. A claim for an ineffectiveness order must be made within 30 days of the Contract Award Notice being published in the FTS or within 30 days of the date those who expressed an interest in or otherwise bid for the contract were informed of the conclusion of the contract or in any other case within 6 months from the date on which the contract was entered into.
