## **GCC Highways Major Projects Construction Framework**

Gloucestershire County Council

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-078162

Procurement identifier (OCID): ocds-h6vhtk-055fc2 ([view related notices](#))

Published 28 November 2025, 2:48pm

### **Scope**

### **Reference**

DN781804

### **Description**

The Council is undertaking a competitive procurement process for a four-year multi-supplier Framework Agreement for the supply of highway construction works required by the council in relation to Highways Major Projects. The framework agreement shall comprise two lots: one for Highways Projects and the other for Structures and Geotechnical Projects . Tenderers will be selected based on quality, financial and social value criteria. The procurement of the framework is intended to replace a series of open tenders for construction works.

This Framework is established to support the delivery of highways infrastructure projects across the Local Authority's network. It provides a compliant, efficient, and flexible route to market, enabling access to pre-qualified suppliers for works ranging from £0.5m to £10m for Lot 1, and £0.25m to £10m for Lot 2.

The Authority Major Projects webpages can be found [here](#) which give more information

about the types of projects delivered:

<https://www.goucestershire.gov.uk/major-projects-list/>

The Framework is governed by the NEC4 Framework Contract (2017 with February 2023 amendments), with individual projects delivered under the NEC4 Engineering and Construction

Contract (ECC 2017 with February 2023 amendments). It is structured to support both mini-competitions and direct awards, in line with the Procurement Act 2023 and the principles of The Construction Playbook.

Lot 1: Highways Projects (£0.5m - £10m)

Scope:

New road construction and major junction upgrades.

Carriageway widening, integrated transport schemes, and public realm enhancements.

Earthworks, surfacing, drainage, kerbing, lighting, and signage.

Stakeholder engagement and statutory undertaker coordination.

Design and build (where applicable).

Full scope will be provided in the tender documents.

Lot 2:

Structures and Geotechnical Projects (£0.25m - £10m)

Scope:

Bridge construction and refurbishment.

Retaining walls, culverts, tunnels, and geotechnical stabilisation.

Drainage schemes.

Structural strengthening, waterproofing, parapet upgrades.

Piling, soil nailing, slope stabilisation.

Full scope will be provided in the tender documents.

## **Commercial tool**

Establishes a framework

## **Total value (estimated)**

- £60,000,000 excluding VAT
- £72,000,000 including VAT

Above the relevant threshold

## **Contract dates (estimated)**

- 11 February 2026 to 10 February 2030
- 4 years

## **Main procurement category**

Works

## **CPV classifications**

- 45000000 - Construction work

## **Contract locations**

- UKK13 - Gloucestershire

## **Lot 1. Highways Projects**

### **Description**

- New road construction and major junction upgrades.
- Carriageway widening, integrated transport schemes, and public realm enhancements.
- Earthworks, surfacing, drainage, kerbing, lighting, and signage.
- Stakeholder engagement and statutory undertaker coordination.
- Design and build (where applicable).
- Full scope will be provided in the Call-off documentation.

Anticipated to be £10m per annum.

### **Lot value (estimated)**

- £40,000,000 excluding VAT
- £48,000,000 including VAT

Framework lot values may be shared with other lots

### **Same for all lots**

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

---

## **Lot 2. Structures and Geotechnical Projects**

### **Description**

- Bridge construction and refurbishment.
- Retaining walls, culverts, tunnels, and geotechnical stabilisation.
- Drainage schemes
- Structural strengthening, waterproofing, parapet upgrades.
- Piling, soil nailing, slope stabilisation.
- Full scope will be provided in the Call-off documentation.

Estimated value £5m per annum.

### **Lot value (estimated)**

- £20,000,000 excluding VAT
- £24,000,000 including VAT

Framework lot values may be shared with other lots

### **Same for all lots**

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

---

### **Framework**

## **Maximum number of suppliers**

Unlimited

## **Maximum percentage fee charged to suppliers**

0%

## **Framework operation description**

Mini-Competition will be the default process for awarding work under the framework. Where the Call-Off value exceeds the Works Procurement Threshold, currently £5,372,609, a mini-competition must be carried out.

The Mini-Competition will be assessed on the basis of the evaluation criteria set out in the Call-off ITT and all Framework Contractors that take part in the Mini-Competition will be informed of the outcome of that evaluation.

The evaluation criteria will be Price, Quality, Social Value (minimum 15%)

## **Award method when using the framework**

Either with or without competition

## **Contracting authorities that may use the framework**

Establishing party only

---

## **Participation**

## **Particular suitability**

**Lot 1. Highways Projects**

**Lot 2. Structures and Geotechnical Projects**

Small and medium-sized enterprises (SME)

---

## **Submission**

### **Tender submission deadline**

12 January 2026, 12:00pm

### **Submission address and any special instructions**
