Section II: Object

II.1) Scope of the procurement

II.1.1) Title

UHB Neurophysiology Service at Washwood Heath CDC - PSR Competitive Process

Reference number

PROC.97.0002

II.1.2) Main CPV code

- 85121220 - Nephrology or nervous system specialist services

II.1.3) Type of contract

Services

II.1.4) Short description

This notice relates to the procurement of an insourced Neurophysiology Diagnostic Service at Washwood Heath Community Diagnostics Centre (CDC). The service is intended to expand capacity, reduce diagnostic waiting times, and support delivery of national RTT and diagnostic standards.

University Hospitals Birmingham NHS Foundation Trust (UHB) needs to expand the capacity of the neurophysiology service to address increasing demand for diagnostic investigations, mitigate service backlogs, and support delivery of timely, high-quality patient care.

A provider of insourcing services will be contracted to provide that capacity and the provider will supplement the existing in-house service, ensuring patients have equitable and prompt access to essential neurophysiological diagnostics including electroencephalogram (EEG) and electromyography (EMG).

This procurement seeks an experienced provider capable of delivering safe, compliant, and efficient services on UHB sites, aligned to national standards and Trust priorities.

The contract will be awarded for a period of 12 months with the option to extend for up to a further 24 months.

II.1.5) Estimated total value

Value excluding VAT: £1,880,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 85121220 - Nephrology or nervous system specialist services

II.2.3) Place of performance

NUTS codes

- UKG3 - West Midlands

II.2.4) Description of the procurement

This notice relates to the procurement of an insourced Neurophysiology Diagnostic Service at Washwood Heath Community Diagnostics Centre (CDC). The service is intended to expand capacity, reduce diagnostic waiting times, and support delivery of national RTT and diagnostic standards.

University Hospitals Birmingham NHS Foundation Trust (UHB) needs to expand the capacity of the neurophysiology service to address increasing demand for diagnostic investigations, mitigate service backlogs, and support delivery of timely, high-quality patient care.

A provider of insourcing services will be contracted to provide that capacity and the provider will supplement the existing in-house service, ensuring patients have equitable and prompt access to essential neurophysiological diagnostics including electroencephalogram (EEG) and electromyography (EMG).

This procurement seeks an experienced provider capable of delivering safe, compliant, and efficient services on UHB sites, aligned to national standards and Trust priorities.

The contract will be awarded for a period of 12 months with the option to extend for up to a further 24 months.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

12

This contract is subject to renewal

Yes

Description of renewals

The contract will be awarded for a period of 12 months with the option to extend for up to a further 24 months.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

This is a Provider Selection Regime (PSR) Contract Notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 202. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award.

To access the procurement documents please follow the link below to Atamis. Tender responses must be submitted by 13.00 on 23rd December 2025.

Please refer to the procurement documents for instructions on how to submit bids electronically and the information which should be included within your bid. The procurement documents also set out the award criteria and how these will be assessed (including the relative importance of the key criteria).
