Description

Fair4All Finance is seeking an organisation to write a comprehensive report on the landscape of financial services and disability.

We know that financial services firms are active in disability inclusion however people with disabilities are

still reporting barriers and feeling excluded from financial services. While progress has been made, we

want to do more to ensure the 5As (Awareness, Available, Appropriate, Affordable, Accessible) for

financial products and services for people with disabilities.

We want the report to do the following comprehensively as possible:

- Map the landscape of financial services provision for people with disabilities.
- Identify gaps, barriers, and inclusive practices.
- Identify hygiene features in service provision for all disabilities
- Provide actionable recommendations for providers and funders
