Planning

Provision of Graffiti Detection System

Govia Thameslink Railway

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-078611

Procurement identifier (OCID): ocds-h6vhtk-05ec3f

Published 1 December 2025, 4:05pm

Scope

Description

GTR's focus for this EMES is to identify and evaluate innovative technology solutions capable of detecting the application of graffiti in concealed toilet environments. The objective is to enhance facilities management, improve detection timescales; improve conviction rates, working toward providing an active deterrent in undertaking vandalism, and improve the cleanliness and safety of public and staff accessible toilets on trains
