-

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - technical reasons

The Health Innovation Networks are NHS England's commissioned innovation arm and the only body positioned to conduct a portfolio audit and review of their own innovation pipelines. There is no comparable England wide network or external resource that could provide this data. The North West Coast Health Innovation Network has agreement from all other networks to lead this work on behalf of the entire group.
