The contractor/concessionaire is an SME

Yes

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

In order to perform additional website development, support & maintenance to meet business needs, Consumer Council for Northern Ireland require an increase to contract value to ensure continuity of service through to expiry of contract term. The Authority will be relying on Regulation 72(1)(b) Additional works, services or supplies “have become necessary” and were not included in the initial procurement, and a change of supplier would not be practicable (for economic, technical or interoperability and would involve substantial inconvenience/duplication of costs. This modification is for a total of £67,250 giving a revised contract value of £242,100.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The Authority will be relying on Regulation 72(1)(b) Additional works, services or supplies “have become necessary” and were not included in the initial procurement, and a change of supplier would not be practicable (for economic, technical or interoperability and would involve substantial inconvenience/duplication of costs

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £174,850

Total contract value after the modifications

Value excluding VAT: £242,100
