**VII.2) Information about modifications**

**VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Brunel Pension Partnership Limited ("Brunel") are extending the contract with Hermes under the justification listed below for the provision of engagement and voting provider services which expires on 1 December 2025. This is as a direct result of the government's announcement in May 2025 on pooling consolidation. Brunel intends to extend this contract on the same terms to Hermes under Regulation 72(1)(c) of the Public Contract Regulations 2015.

### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Brunel have extended its existing contract with Hermes for the provision of stewardship services in accordance with Regulation 72(1)(c) on the grounds of strict necessity due to the government's announcement in May 2025 regarding pooling consolidation, which has created an urgent need to maintain continuity of stewardship services across Brunel's pooled assets. Brunel does not believe that any other single provider can deliver the breadth of required services within the necessary timeframe without causing significant operational and governance risks to the business. The services provided by Hermes are integral to Brunel's responsible investment strategy and stewardship obligations, and any disruption would materially impact Brunel's ability to meet its fiduciary and regulatory duties.

The scope and terms of the contract with the incumbent remain unchanged as a result of the contract extension.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £850,000

Total contract value after the modifications

Value excluding VAT: £1,062,500
