Award

## **NEPRO x Innovation**

The Association of North East Councils Limited

UK6: Contract award notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-078964

Procurement identifier (OCID): ocds-h6vhtk-04eb42 ([view related notices](#))

Published 2 December 2025, 2:20pm

## **Scope**

## **Reference**

NEPO535

## **Description**

NEPO is establishing a Closed Framework which will operate as a Neutral Vendor Managed Service; NEPRO x Innovation. The objective of this procurement is to provide Contracting Authorities with access to a single Supplier (the Delivery Partner) who will provide a managed service for the delivery of services, goods, works, technology and research and development.

NEPRO x Innovation is a new Framework for NEPO. As a strategic procurement solution, the Framework will fall under NEPO's 'NEPRO' brand. NEPRO provides outcomes-based frameworks for the public sector.

The Delivery Partner will adopt a Managed Service for the delivery of projects in the following areas:

- Goods

- Works
- Services
- Technology
- Research and Development

A single project may include more than one of the above. The Delivery Partner will be able to flexibly deliver projects incorporating all areas, to suit Contracting Authorities' bespoke requirements.

The Delivery Partner shall act as an innovation enabler, meeting the following innovation deliverables:

- Reduce barriers to innovation
- Create guidance and signpost existing guidance to support Contracting Authorities
- Promote and facilitate innovative procurement practices
- Encourage challenge-based procurement
- Drive increased spend with SMEs and VCSEs
- Raise innovation awareness through the Innovation Community

NEPO expects the typical value of projects being delivered under the Framework, will be at £25k and above. There will be no maximum project value.

For the avoidance of doubt, the Delivery Partner will not provide services, goods, works and technology in its own right, but rather will deliver a Managed Service that allows Contracting Authorities to procure these elements.

The Delivery Partner will bring together the bespoke requirements of Contracting Authorities and a perpetual Supply Chain capable of meeting those requirements. Equal importance will be placed on the service provided to Contracting Authorities and the management of the Supply Chain delivering the requirements.

Through market-led, Outcome-based pricing, the Delivery Partner will provide a 'one stop shop' for all in-scope goods, services, technology, works and research and development and will have a positive impact at every stage of the delivery. The Delivery Partner will act as a single point interface between the Contracting Authority and the Supply Chain.

The Delivery Partner will be required to accommodate the bespoke needs of each Contracting Authority in each project. This will require the ability to flexibly deliver goods, works, services, technology and research and development contracts and offer innovative and/or bespoke procurement processes.

The successful bidder has been chosen through a two-stage competitive flexible procedure.

## **Commercial tool**

Establishes a framework

---

## **Contract 1. NEPRO x Innovation**

### **Supplier**

- CONSTELLIA PUBLIC LTD

### **Contract value**

- £20,000,000,000 excluding VAT
- £24,000,000,000 including VAT

Above the relevant threshold

### **Award decision date**

2 December 2025

## **Date assessment summaries were sent to tenderers**

2 December 2025

## **Standstill period**

- End: 11 December 2025
- 8 working days

## **Earliest date the contract will be signed**

26 January 2026

## **Contract dates (estimated)**

- 25 February 2026 to 24 February 2030
- Possible extension to 24 February 2034
- 8 years

Description of possible extension:

2 x 24-month extensions will be possible.

NEPO considers the longer term is necessary due to the following:

- Complexity of the Framework
- Resource required to procure the Framework
- Complexity and value of projects procured under the Framework, which may span numerous years.

- The investment required from the Delivery Partner to implement the Framework including developing and implementing terms and conditions, mobilising a supply chain, developing innovative procurement processes and documentation and mobilising a technology platform.

The Framework shall only be extended where NEPO, at its sole discretion and not less than six (6) months before the end of Initial Term or First Extended Term (as applicable), notifies the Delivery Partner that the Framework shall continue for a subsequent Term.

## **Main procurement category**

Services

## **CPV classifications**

- 03000000 - Agricultural, farming, fishing, forestry and related products
