Award

Clacton Leisure Centre Oil Boiler Replacement and Installation of New Solar PV's

Tendring District Council

UK6: Contract award notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-079078

Procurement identifier (OCID): ocds-h6vhtk-05ab24 ([view related notices](#))

Published 2 December 2025, 4:30pm

Scope

Reference

EPP0206

Description

Project Objective

The project aims to replace the existing end-of-life oil boiler system at Clacton Leisure Centre with a modern, low-carbon heating solution and and Installation of New Solar PV's. This is part of Tendring District Council's broader decarbonisation strategy and is supported by a successful PSDS Phase 4 grant application.

Scope of Works

Please review the specifications for the proposed works.

Key Considerations

The project is time-sensitive due to the failure of one of the existing boilers and the requirement to draw down most of Salix funding within the 2025/26 financial year.

All works must be completed and commissioned by April/May 2026 to meet grant conditions.

The project must be delivered with minimal disruption to leisure centre operations.
