Options

The right to additional purchases while the contract is valid.

The procurement allows for the Contracting Authority to instruct additional works and purchases through both Provisional Sums and a specific Costed Option. These options will be exercised solely at the discretion of the Contracting Authority during the term of the contract.

Provisional Sums The contract includes allocated Provisional Sums for flexibility to instruct supplementary and ancillary works that may arise during the installation of the new CCTV and Intercom system. These sums may be used to cover items such as: Additional ducting/civils works, additional cameras, recording equipment upgrade, unforeseen works, and alternative camera lenses.

Costed Option The contract includes a separate, priced option for a significant extension of the core works. This option relates to the complete replacement of the existing CCTV system at Harperley Hall, should the Contracting Authority elect to pursue a full replacement rather than the core upgrade defined in the primary scope of works.
