Reference

CBMDC103225

Description

The Council requires a suitably experienced Contractor to undertake the inspection, testing, maintenance and repairs to Intruder Alarm Systems (IAS), including any associated monitoring or signalling equipment at properties owned, operated or maintained by the Council. In addition to this, the Contractor will also be required to:

- Respond to all reported faults calls and requests relating to the IAS and the IAS equipment in any 24 hour period, 365 days a year.
- Disable audible intruder alarms that are causing a noise nuisance after the Environmental Health service has served a statutory abatement notice.
- Ensure that the Council meets statutory regulations and Insurance requirements.
