Description

Anglian Water Services Limited is seeking engagement from interested suppliers for a new strategic delivery framework (namely a "Major Infrastructure Delivery Framework") to support in the delivery of its capital investment in the East of England, necessary for adaptations to climate change and anticipated population growth.

This Major Infrastructure Delivery Framework will provide for an integrated and collaborative partner to deliver selected programmes and projects successfully, achieving outcomes to enable Anglian Water to meet the needs of our customers, stakeholders, shareholders, investors and the specific outcomes required by the regulator. While achieving the highest levels of safety, health and wellbeing in the delivery of its works.

The Major Infrastructure Delivery Framework will set out the broad scope of capabilities that may be required over the life of the agreement, being that of early contractor

involvement (ECI) advisory services, design, construction and CDM (Principal Designer and Principal Contractor) duties. Initial projects to be delivered by this framework include programmes of work related to Coastal Waters Improvements Works and will consist of grey and green civils work, process technology and storage ..

This notice is being published to advertise a market engagement webcast that conveys more information about Anglian Water, its objectives and the Major Infrastructure Delivery Framework requirements.

Anglian Water is approaching the market under section 16 (1) of the Procurement Act 2023. In line with section 16 (1) of the Procurement Act 2023 which lists the permitted purposes of preliminary market engagement, this notice fulfils the requirement for a preliminary market engagement notice to be issued under the Procurement Act 2023.

<https://esourcing.scanmarket.com/SupplierRegistration/NewSupplier?eventId=838200&ccsum=c3285eb3b7f51f5d0fb40d176cf52a54>

Interested suppliers must initially register, via the above link to this Preliminary Market Engagement notice, through our procurement portal Scanmarket (U4). A recorded market engagement webcast will be shared with all suppliers that register.

A market engagement questionnaire will also be available to suppliers that register to review and respond to. Anglian Water welcomes completed market engagement questionnaire from suppliers by the questionnaire submission deadline of 5th January 2026.

Suppliers which do not wish to complete and respond to the market engagement questionnaire will not be precluded from participating in future events relating to this procurement.

Once questionnaires have been received and a thorough review and analysis of the responses has been conducted, Anglian Water may invite suppliers to attend meetings to follow up and clarify responses to the market engagement questionnaire. Discussions and any feedback from suppliers obtained are solely intended to assist Anglian Water in taking an informed view as to the framing of this future procurement.

At the same time, any decisions about the framing of the future procurement rests solely with Anglian Water. Amongst other things, feedback that suppliers may provide should not be interpreted as committing Anglian Water to the adoption of any particular approach in relation to this future procurement.
