Description

THIS IS NOT A CALL FOR COMPETITION Dementia Support Services Introduction
Leicester City Council and Leicestershire County Council are considering commissioning a Dementia Support Service. It is anticipated, dependent upon an engagement exercise, that tenders for this service would be sought in 03/04 2026, to enable a new contract to begin from 01/ 10/ 2026. As part of the commissioning process, the authority is undertaking a soft market test. This gives potential providers and other stakeholders the opportunity to express their interests and feed in their views about the potential service model and specification principles. The commissioners will use the information to appraise options and further develop the specification. This process does not constitute a formal tender or other competitive bidding process and will not result in the letting of a Contract. The authority is using this process solely to test the market to gather information and ascertain the level of interest in this particular service. There are therefore no formal

criteria which we will use to judge your responses, and it is not our intention to provide any feedback.
