Scope

Description

Peabody are seeking a new Occupational Health organisation to partner with who can provide good quality services to the organisation to support with sickness absence, health conditions and general occupational health services. The organisation needs to be able to learn the history and background of Peabody and the sector we work in so that recommendations made in reports are feasible and logical for the organisation to put in place. We need consistent communication and contact with the account management team who will respond in a timely manner to correspondence and questions asked.
