Description

UKRI wishes to establish a Framework Agreement for the provision of refit, upgrade and maintenance services for the RRS Sir David Attenborough.

The Framework Agreement (Agreement) will be awarded to a single Supplier for a period of two years with an extension option of up to two years (2+1+1). The Supplier will also be able to provide global support should emergency repairs/dockings be required to be undertaken outside of scheduled maintenance periods.

The Agreement will:

- ensure vessels are maintained to the standards required by UKRI.
- ensure vessels are maintained in accordance with Flag State and Classification Society

requirements.

- provide continuity in maintenance standards and utilise one organisation that will gain experience and knowledge of the RRS Sir David Attenborough
- cover the global footprint of operations for RRS Sir David Attenborough

Commercial tool

Establishes a framework
