Description

The proposed programme is specifically designed to enhance leadership capabilities, foster strategic thinking, and equip leaders with the knowledge and skills to navigate and operate in the fast-paced changing national context.

This programme provides bespoke support to:

- Define and Strengthen the Collective Leadership Narrative: Create a shared leadership story that reflects purpose, ambition, and values. Align the executive voice to build confidence, coherence, and clarity across the organisation.
- Enable the Team to Lead Through Transformation and Complexity: Build the capability and confidence to lead through uncertainty, change, and challenge.
- Equip the team to navigate complexity with clarity, cohesion, and strategic focus.
- Build Capacity, Resilience and Clarity within the Senior Team: Strengthen individual and collective resilience to sustain high performance. Create space for reflection, build leadership capacity, and sharpen f
