Engagement process description

Why Attend?

Join us for an interactive pre-market engagement session focused on shaping our upcoming Energy Efficiency and Photovoltaic (PV) Contract. This is your chance to:

- Influence the specification by sharing your expertise and insights.
- Showcase innovation and best practice in energy efficiency and PV solutions.
- Help define the best route to market, ensuring the procurement process works for both buyers and suppliers.

What's in it for you?

- Early visibility of our upcoming procurement opportunity.
- Direct input into shaping a specification that reflects market capabilities.
- Build relationships and position your organisation as a key partner in delivering sustainable solutions.
- Opportunity to highlight innovations that differentiate your offering.

Your input will directly impact how we design a contract that drives sustainability, value, and long-term success. Don't miss the opportunity to collaborate and make your voice heard!

The engagement event will take place via Teams on Monday 15th December from 10-11.30am.

To express your interest in attending, please complete the PME Interest form which can be accessed via www.supplyingthesouthwest.org.uk and return via the messaging function of the portal. An invite to the event will then be emailed to you.
