Procurement identifier (OCID): ocds-h6vhtk-05efa9 ([view related notices](#))

Published 5 December 2025, 1:09pm

Scope

Reference

EX1155

Description

After reviewing comprehensive case management solutions (designed to support the work of local safeguarding teams) we have found that moving from the current suite of systems would cause too much disruption. QES systems enable the collection, interpretation, and application of multi-agency information to improve support for children. This is an 2yr extension to an existing agreement in place, and will be reviewed on an annual basis by the partnership to make sure it is cost effective.
