Infusion Devices & Associated Consumables

Birmingham Women's and Children's NHS Foundation Trust

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-080381

Procurement identifier (OCID): ocds-h6vhtk-05f03c

Published 5 December 2025, 6:52pm

Scope

Reference

PROC.02.0150

Description

The BSOL Procurement Collaborative, hosted by University Hospitals Birmingham NHS Foundation Trust is seeking to award a contract under the 'Competitive Flexible Procedure' for the Supply of Infusion Devices & Associated Consumables on behalf of Birmingham Women's and Children's NHS Foundation Trust

whose principle address is located at

Steelhouse Lane

Birmingham

West Midlands

B4 6NH

This Procurement shall be awarded for a 5 Year Period with an option to extend for a further 2 x 12 month periods.

The Tender shall be awarded as two lots as follows:

Lot 1 : Supply of Syringe Drivers & Associated Consumables

Lot 2: Supply of Volumetric Pumps & Associated Consumables

Both Lots shall include the requirement for:

Initial & Ongoing Clinical Training for approx 1,700 Nurses

Technical Training for Medical Engineering Staff (Approx 8 - 10)

Warranty Cover

Availability of Spare Parts

Provision of Clinical and Technical Support for the duration of the contract.

This Procurement shall included a phased replacement programme as follows in addition to any additional minor purchases for Ward / Departmental expansion:

Phase 1 - To be Delivered and Invoiced by 31st March 2026

Qty x 483 Syringe Drivers

Qty x 64 Docking Stations

Phase 2 - To be Delivered and Invoiced* by 31st March 2027

Qty x 100 Volumetric Pumps

Qty x 214 Syringe Drivers

Qty x 100 Docking Stations

Phase 3 - To be Delivered and Invoiced* by 31st March 2028

Qty x 376 Volumetric Pumps

The Authority shall consider all Finance Options where suitable and where applicable including Outright Purchase, Lease and/or Purchase Set Plan. * If an option is selected for

a phase other than outright purchase, then invoicing shall not be completed until the end of the contract and any extension period (Please refer to the ITT Docs for further information regarding the different Finance Options.)

The Authority reserves the right to select any of the above Finance options subject to affordability and value for money.

The Procurement shall be conducted in three stages. None of the following stages (below) shall involve further negotiation above and beyond the requirements of competitive tendering as described in the Invitation To Tender (ITT) Documents.

Stage One: Essential Assessment

Bidders are required to respond to the questions that form part of the Procurement Specific Questionnaire (PSQ) built into ATAMIS (Online).

Bidders are required to confirm that they can meet the 'Essential elements' of the Specification within Questionnaire 1: Technical

Bidders who PASS the PSQ Questions and comply with the 'Essential elements' of the Specification shall proceed to Stage Two.

Stage Two: Technical/ Quality Assessment

This stage shall comprise of an assessment of the desirable elements of the Specification and responses to a series of questions that form part of the Technical / Quality evaluation of the Tender(s).

Only the 'Top Three' Scoring Bidders for each lot, for those questions /requirements within this stage shall be short-listed to Stage Three. Where a Bidder places fourth in either lot, if their score is within 3% of the next highest score, the Authority shall include them in the short-list and therefore, four suppliers may short-listed in either/or both lots.

Stage Three: Final Stage

This final stage shall comprise of 'Show & Tell' product type demonstrations and Presentations in person by the Top 3 Scoring Bidders in each lot. (or Top 4 if within a close margin as described above).

This stage also includes an assessment of a minimum of two Reference Sites per Lot to ascertain feedback from existing customers about the quality, reliability and level of service in relation to supply of these devices and associated consumables.

Stage Three shall also include a financial assessment of 'Price' (Whole life costs over the

duration of the contract per Lot).

Tender submissions will then be reviewed using a £ per assessment benefit method as described in the ITT Documents.

The Authority may then award a contract to the Bidder who in its sole opinion Tenders the most economically advantageous bid (the lowest £ per assessed benefit) following the completion of the evaluation process.

Total value (estimated)

- £1,200,000 excluding VAT
- £1,440,000 including VAT

Above the relevant threshold
