## Procedure

### Procedure type

Direct award

### Direct award justification

- Single supplier - unique work of art or performance
- Single supplier - intellectual property or exclusive rights

RECOUP conference sponsorship is a unique, non-competitive offer. As the sole organiser and provider of the event, RECOUP is the only supplier able to offer this specific platform, audience access, and associated branding opportunities. The sponsorship directly supports WRAP's strategic objectives in plastics, packaging, resource efficiency, and sector engagement, and the cost represents reasonable value for money given the visibility and industry reach it provides.
