Reference

WYFRS5037

Description

Physiotherapy Provision

The main aim of the service is to provide rapid access to assessment and physiotherapy services for acute musculoskeletal injuries with a view to either keeping staff in work, or where they are already absent, getting them back to work as quickly as possible. The service is not for the treatment of chronic conditions. The services required will consist of an initial assessment and treatment, through the provision of recommended exercises and/or hands on treatment where clinically recommended.
