Scope

Description

This procurement covers the direct award of a two-supplier framework agreement to Onwave UK Ltd and Tended Limited for the provision of Work Safety Geofencing Services (WSGS) across Network Rail. The framework enables the deployment of geofencing technology to improve worksite safety, operational efficiency, and control, supporting the Virtual Worksite Marker Board (VWSMB) process and other safety-critical applications. Services include managed supply of geofencing hardware, real-time dashboard access, cloud-hosted infrastructure, device management, and 24/7 technical support.
