Description

UEA Sportspark are conducting pre-market engagement with a view to install outdoor padel courts on our existing site currently used for 3 tennis courts and netball.

We are conducting preliminary market engagement to better understand current capabilities, innovations, and best-practice approaches within the padel court installation sector. This early engagement will help us validate our requirements, explore available solutions, assess market capacity, and ensure that any future procurement is informed, competitive, and aligned with industry standards. It also provides suppliers with an opportunity to offer insight, highlight potential challenges, and shape a more efficient and effective procurement process.
