Tenderers are asked to submit a Tender and Tai Tarian will follow a two-stage process in the evaluation of any tender submissions.

Firstly, Tai Tarian will assess Tenderers submitted Procurement Specific Questionnaire at Conditions of Participation Stage to ascertain the number of submissions that have met the minimum participating conditions threshold (50%), to ascertain that the bid is a valid tender and has passed all the 'Pass/Fail' questions.

Only those questions set out in the Procurement Specific Questionnaire will be evaluated at this stage. Only those tender submissions that are successful and score equal to, or higher than the minimum participating conditions threshold of the Conditions of Participation Stage will proceed to be fully assessed Tender at Tender Award Stage.

If your tender submission passes the minimum participating conditions, the Tender Award Stage Quality questions will be evaluated together with the Price submission (Appendix 2).

Further information on how the Tender Award Stage will be evaluated is detailed in Item 16. The Tender Award Stage of the Invitation to Tender document.

### Justification for not publishing a preliminary market engagement notice

No additional pre-market engagement has been undertaken for this procurement as relevant pre-market engagement was carried out by Tai Tarian in December 2024 (Notice ID: 2024/S 000-037154) under the Public Contracts Regulations 2015 on a similar requirement for a HR and Payroll system procurement and remains valid and applicable to this procurement. The engagement outcomes of that process identified a requirement for an integrated HR, Payroll and Finance solution that provides a seamless integration.
