Under the National Collaborative framework for adult mental health, a placement is proposed between ABUHB and Elysium- Aberbeeg. This proposed placement is being made under lot 7 of the framework agreement as a potential call-off contract.

The proposed call off requirement was considered with the basic selection and key criterion as detailed below. Framework providers were evaluated by the Commissioning Team, responsible for a patient placement, under the CAARE criteria to determine (i) under which Framework Lot the Patient's care requirement falls and (ii) the number of observations hours required to meet the patients' needs by enhanced packages of care / additional services.

This was assessed under the following key criterion as stated in PSR Wales Regulations 2025 and aligned within the Framework;

1. 3 Qs on the framework. 2. Aberbeeg, Lot 7 3. Placement identified as meeting all needs. Has beds available within the ABUHB catchment area. Placement is locked with an MDT which has been identified as required upon discharge. 4. A bed is available, placement near to home and core services.

The length of the placement is based on patient need and therefore, is undetermined at present. The supplier is a current provider on the framework and this notice refers to a new placement. The awarding of this contract is subject to the Health Services (Provider Selection Regime) (Wales) Regulations 2025.
