There was 1 perceived Conflict of interest identified throughout the process whereby an evaluator has a family member who is employed with a potential provider / bidder for this contract. This was acknowledged and logged and would be reviewed once the names of the bidders were disclosed with potential removal of the evaluator from the process, as

the particular provider did not submit a bid the evaluator was able to maintain their position on the evaluation panel.

The Key Criteria were weighted as follows;

- Quality & Innovation – 10.00%
- Value – 12.00%
- Integration, Collaboration and Service Sustainability – 38.00%
- Improving Access, Reducing Health Inequalities and Facilitating Choice – 30.00%
- Social Value – 10.00%

The weightings for the 5 key criteria were determined by the procurement panel to give appropriate relative importance to each of the sections in line with the commissioning expectations for the service. The criteria were weighted and prioritised based on the needs of the service.

The preferred provider scored a pass on all of the Pass / Fail questions within the Basic Selection Criteria. The preferred provider also scored the highest overall for the Key Criteria Questions against the published scoring criteria (as set out at paragraph 27.3.2 of the 'Document 1 - Competitive Process – Overview and Instructions').
