### **Scope**

#### **Description**

South Yorkshire Police on behalf of South Yorkshire & Humberside Police are progressing with scoping out requirements for a collaborative Healthcare and Forensic Services in Custody contract.

As part of our preparations, we are undertaking preliminary market engagement with potential suppliers to ensure we get our contractual approach and specification right, and to ensure the tender opportunity is attractive to the market.

Please note this preliminary market engagement is not an invitation to tender or a request for formal expressions of interest. We are issuing this preliminary market engagement to assess the reaction of the market in order to ensure the procurement process is well-framed, focused, feasible and likely to be of interest to the market.

Please send all questions and responses via the correspondence capability on the Intend portal.
