Additional or repeat goods, services or works - extension or partial replacement

Additional or repeat goods, services or works - extension

For the reasons detailed above, Portsmouth Water intends to renew its incumbent Asset Investment Software on the following basis:

The public contract concerns the supply of goods, services or works by the existing supplier, which are intended as an extension to existing goods, services or works in circumstances where

- a) a change in supplier would result in the contracting authority receiving goods, services or works that are different from or incompatible with the existing goods services or works; and
- b) the difference or incompatibility would result in disproportionate technical difficulties in operation or maintenance.
