### **Scope**

### **Reference**

Y26019

### **Description**

Procurement Services are looking to create a local and national framework for the provision of Grounds Maintenance & Associated Services. This questionnaire is designed to understand supplier and customer experiences, challenges, and expectations regarding Grounds Maintenance & Associated frameworks. Your responses will help us design a framework that meets the needs of suppliers and customers to improve the procurement and delivery experience for Grounds Maintenance & Associated Services across all areas within the Public Sector.

Scope and Lot structure is still to be determined, but the aim is to design a framework for the provision of all Grounds Maintenance & Associated Services required within the Public Sector.
