Pricing Submission		Price	30%

---

## Other information

### Conflicts assessment prepared/revised

Yes

---

## Procedure

### Procedure type

Open procedure

### Justification for not publishing a preliminary market engagement notice

We have not undertaken pre-market engagement for this procurement, due to previous quotes being obtained from three archaeological companies when this project was in early planning stages, and due to the market being relatively small and well-known to us. We have informed local archaeological companies about the tender opportunity, and the larger national companies
