Description

Malvern Town Council is looking to appoint a company to provide play equipment to improve and enhance the play area at Victoria Park, Malvern

Design proposals are invited and should include the following.

1) New equipment within existing Play Area

Following a recent public consultation, the survey results produced an overview of what items of equipment would like to see in the play area: -

- In-ground trampoline
- Large multi-use climbing frame with slide

- Climbing wall/structure/Net Climbers/Fireman poles
- See Saw
- Clatter Bridge
- Accessible wheelchair ramps, swings and roundabouts
- Accessible picnic tables and seating
- Interactive learning equipment (ABACUS, Cogs, Ball maze)

This is a sample of what the public would like to see. It is not exhaustive and other suitable and dynamic ideas are invited.

Please find attached to the tender document a copy of the Victoria Park Consultation survey results.

It is envisaged that this part of the tender will cost a maximum of £160,000.

2) New equipment to be sited immediately adjacent to the south of the existing play area

To supply and install one large wooden climbing frame and trim trail.

It is envisaged that this part of the tender will cost in the region of £40,000.

3) Play Area Equipment which is to remain within the park area is as follows:

- Toddler Play Area
- Large Swing Set
- Small Swing Set
- Zip Wire

The tender price to also include

- Removal of existing equipment and deteriorated rubber safety surfacing.
- Installation of new rubber safety surfacing where required.
- All arisings to be cleared off site.

- Areas must be Heras fenced off during works.

Safety surface:

- The use of rubber grass matting and wet pour is acceptable dependent on the siting of the play equipment.

Maximum Budget £200,000

Total value (estimated)

- £200,000 excluding VAT
- £240,000 including VAT

Below the relevant threshold
