## Award criteria

Name	Description	Type
Price	The supplier will provide their price against each product listed within the core requirements, which should be the total cost (including marketing and display specified within the requirement). Supplier who offers the most economically advantageous tender will score the highest score of 50%.	Cost
Non Price	The quality of proposed products and services will be assessed based on supplier response against method statement questions, sample testing their proposed goods and assessing the suitability of service provision through presentation.	Quality

## Weighting description

The tender will be evaluated and awarded based on a 50% price and 50% non price criteria. The non price assessments will consist of evaluating supplier responses to method statement question, presentation on service provision and sample testing.
