## Engagement process description

This is a Prior Information Notice (PIN) only for an Early Market Engagement (EME) for information to the market on FCDO's UK-Nigeria Growth programme. The PIN is not a call for competition or tender at this time, it is an information notice to highlight to the market the intent to have an in-person EME event (with an option for a Virtual TEAMS dial-in) on Wednesday 21st January 2026, from 10.30am to 12 Midday Nigeria Time (GMT+1).

At the event, FCDO will present the programme and its proposed objectives as well as facilitate a discussion on the topics outlined in the presentation.

Further details concerning the event will be provided on the FCDO Portal in due course.

Please register for attendance for the EME via the guidance below, which is a separate requirement from registering interest on the FCDO supplier portal.

How to register

If you are interested in attending this Early Market Engagement event, then please register via the form at: <https://forms.office.com/e/GuCaaCiKQR>

Attendance in-person is encouraged where possible. It is not always possible to fully engage EME attendees who join online. However, an online TEAMS facility will be available.

Attendance in-person will be at the British High Commission, Diplomatic Drive in Abuja, Nigeria. Please arrive 15 minutes before the start time to allow for time to clear security. Please note that attendees will not be allowed to bring in phones or lap-tops into the BHC (however, the presentation slides will be shared after the event).
