### **Scope**

### **Reference**

STA10226-10231

### **Description**

The services to be supplied are the continued support and maintenance of the custom-built eAML2 system, including its website, database, and dedicated helpdesk portal, which facilitates the regulatory reporting of livestock movements.

The services will be supplied by TLR Ltd, the incumbent provider, who maintains the bespoke system and delivered the associated services. This direct award ensures the uninterrupted continuity of this critical service until a replacement can be implemented by Livestock Information (LI).
