Description

A service aiming to improve young people's knowledge about local sexual health services (including but not limited to, GP service, online services, specialist services and community pharmacy services - YPs sexual health offer), contraception and STIs.

Providing high quality, evidence based sexual health outreach service for young people which represents good value and is responsive to local needs of Hounslow. Working collaboratively with professionals supporting young people to improve awareness of sexual health services, contraception and STIs, and improve knowledge of safer sex. Supporting improved relationships and self-esteem for young people through RSE delivery and direct support to young people through extending key working and brief interventions

This notice relates to the process set out in Regulation 10(9) of The Health Care Services (Provider Selection Regime) Regulations 2023. Direct award - Process C There is an existing provider for the healthcare services, and their contract is ending. The proposed

contracting arrangements are not changing considerably. The relevant authority is of the view that the existing provider is satisfying the original contract and is likely to satisfy the proposed contract to a sufficient standard. The relevant authority is not required to follow Direct Award Processes A or B.
