II.2.4) Description of the procurement

The Health Visiting Service will lead on the delivery of the Healthy Child Programme 0-5 to all children and families, including fathers, starting in the antenatal period. Core elements include coverage of the 6 high impact areas: supporting the transition to parenthood, supporting maternal and family mental health, supporting breastfeeding, supporting healthy weight, healthy nutrition, improving health literacy, reducing accidents and minor illnesses, supporting health wellbeing and development: Ready to learn, narrowing the 'word gap'.

The service also includes:

- Vulnerable families that meet the eligibility criteria will be offered the Best Start Programme. This is an intensive home health visiting service that will be delivered by a team of health care professionals who have undertaken additional training and developed competencies to deliver the programme. The team will be known as Best Start Health Visitors (BSHVs). This flexible preventative Best Start programme that will be tailored to meet the needs of vulnerable families during the antenatal and post period and up until the child is two years. This cohort of families will be offered the opportunity to participate on the basis of a needs assessment, where capacity allows.

-The key purpose of the enhancement to the Breastfeeding Peer Support Service is to

increase the number of new mothers who initiate breastfeeding and to support exclusive and continued breastfeeding up to 6 months, followed by continuing to breastfeed alongside introducing solid foods for at least the first year as recommended by the DHSC.

-This service will introduce an additional infant feeding contact for new parents postnatally. This is part of the Family Hubs and Start for Life programme which seeks to It seeks to join-up and enhance services for families with children of all ages through a network of family hubs, with start for life services for families with 0 to 2 year-olds at their core.

-This service will introduce an early help administration post to the Health Visiting Service with the aim of strengthening work, including referrals and assessments, with the Early Help service. This is part of the Family Hubs and Start for Life programme which seeks to It seeks to join-up and enhance services for families with children of all ages through a network of family hubs, with start for life services for families with 0 to 2 year-olds at their core.

Sandwell and West Birmingham NHS Hospitals Trust

Sandwell

Country

United Kingdom

NUTS code

- UKG37 - Sandwell

Justification for not providing organisation identifier

Not on any register

The contractor is an SME

No

V.2.4) Information on value of contract/lot (excluding VAT)

Total value of the contract/lot: £12,501,263

Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to decision makers by 30 December 2025. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

Representations should be sent in writing to publichealth_procurement@sandwell.gov.uk

The award decision was made by the Council's Cabinet on 10 September 2025.

There were no conflicts or potential conflicts of interest declared.

The relative importance of the Key Criteria is as follows:

- Quality and innovation, 30%
- Value, 25%
- Integration, 15%
- Improving access and reducing health inequalities, 15%
- Social Value, 15%

Quality and Innovation of the service was given the higher percentage because it is an important aspect in the delivery of the service. Value is the next highest, to ensure as a public authority we are achieving value for money. Social Value is in line with the Council's own policy for a contract of this size. Integration is considered in relation to the local health economy and Improving access and reducing health inequalities is considered in relation to the local approach being structured on access, experience and outcomes.

This decision to award this contract to Sandwell and West Birmingham NHS Hospitals Trust is consistent with local and national plans around integrating care and joining up services for patients. It allows both organisations to conduct work guided closely by the Sandwell Health and Wellbeing Strategy and the priorities set out within it.

VI.4) Procedures for review

VI.4.1) Review body

The High Court of Justice

London
