Scope

Description

Oak National Academy has awarded a contract under Lot 1 of its Dynamic Market for Digital Product Development and Support Services. The contract is for development work to create internal content tools that will help teachers design and manage curriculum materials.

The work will be delivered using Oak's existing technology stack, including Next.js, TypeScript, serverless Cloud Functions, PostgreSQL and GraphQL. The supplier will build new tools to Oak's engineering standards, including automated testing and meeting required quality checks.

The supplier will work closely with Oak's platform and engineering teams, following Oak's agile ways of working and ensuring the tools are secure, maintainable and aligned with Oak's existing architecture. The work will be carried out in line with the supplier's submitted bid.

The contract was awarded following further competition in line with the Dynamic Market rules and Section 19 of the Procurement Act 2023. The supplier was deemed to be MAT.

The contract is valued at £59,400 inclusive of VAT.
