Scope

Description

The British Business Bank (BBB) is exploring the market for a cloud-based Loan Management System to support the delivery of a potential new debt product. The purpose of this pre-market engagement is to gather information from suppliers on available solutions, capabilities, and pricing models.

This pre-market engagement notice is an opportunity to help inform our future requirements and procurement strategy. We welcome input from suppliers on solution capabilities, implementation timelines, potential risks, and commercial models.

Further details and a questionnaire for suppliers to complete will be made available once a Non-Disclosure Agreement (NDA) has been completed, signed and returned by the supplier to BBB via the Delta messaging centre. Please only populate the sections highlighted in yellow within the NDA.

A copy of the NDA is available via the following link: <https://www.delta-esourcing.com/respond/57Q52CQ6F5>

Completion of the questionnaire will be the basis of this pre-market engagement. On completion of the questionnaire suppliers are kindly requested to submit via the Delta messaging centre. This notice will be kept open until January 23rd 2026 at 5pm.

Following receipt and review of the completed questionnaire BBB may ask suppliers to provide a demonstration of their system.
