Description

The Information Technology Service (ITS) department require a flexible call-off contract for up to a maximum of 23 users to have licences to access INE Premium/Professional high quality online technical training specifically for the IT industry. We require the Skills Dive add on.

The Premium Plan includes browser-based labs for practical skill development, certification prep to help prepare for the technical portions of exams, guided learning paths for efficient, organized studying with interactive video-based courses, on-demand educational resources and world-class expert instructors

Skills dive enables you to prepare for real world scenarios with immersive, hands-on labs to solidify technical knowledge.
