Main procurement category

Services

CPV classifications

- 50800000 - Miscellaneous repair and maintenance services

Contract locations

- UKF3 - Lincolnshire

Engagement

Engagement deadline

1 March 2026

Engagement process description

The Authority is seeking to engage, pre-procurement, with building and works providers. In order to help shape the requirement, we are asking that suppliers provide insights which will help to inform our development of a specification and contract opportunity which is attractive to the market and helps us to improve value for money.

The initial aim of the pre-market engagement is to make suppliers aware of the upcoming procurement of this framework and to encourage suppliers to bid for the opportunity for a place on the various Lots.

The Authority expects to run some market engagement sessions with the local Lincolnshire Chamber of Commerce to present the envisaged procurement structure and latest version of the estimated timetable.

This is to try and encourage all suppliers including SMEs that may not be aware of the new Central Digital Platform and the new Procurement Act 2023.

The initial Engagement days will be held virtually on the 19th and 26th of January 2026.

They are expected to be approximately 60-90 minutes duration.

The 2 sessions will be the same, so prospective suppliers will only need to attend one session.

Where appropriate, any questions answered during the pre-procurement stage will be shared with all registered suppliers.

To register for a place on one of these events - please visit <https://www.lincs-chamber.co.uk/>

19th January Supplier Engagement Session - United Lincolnshire Teaching Hospitals - Lincolnshire Chamber of Commerce
