Scope

Description

The main focus is on the development, delivery and commissioning of practical skills and knowledge-based training focussing chronic disease management and long-term conditions. The aim is to offer education and training across a selection of educational levels focussing mainly on the Practice Nurse and Health Care Support Worker (HCSW) staff. In addition, access may be offered to other healthcare professionals across general practice.

The target audience will be from within a Primary Care setting, which is designed to meet the needs of the workforce, whilst focusing on the social and medical models of health.

The tender will be awarded based on 40% cost & 60% quality as detailed in the ITT document. Please note that the tender closing date is 29/01/2026 at midday and any late submissions will not be considered.
