Unexpected changes to costs due to either Authority, Contractor or third party actions resulting in a need to amend the Contract timescales, costs, deliverables or scope.

Unexpected changes to volume of deliverables due to either Authority, Contractor or third party actions resulting in a need to amend the Contract timescales, costs, deliverables or scope.

Unexpected changes to scope of deliverables due to either Authority, Contractor or third party actions resulting in a need to amend the Contract timescales, costs, deliverables or scope.

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Open procedure

Justification for not publishing a preliminary market engagement notice

In this instance, a preliminary market engagement notice was not published because the need for this requirement was confirmed within the last few months. Therefore, issuing an advance notice so close to the release of this Tender notice would not have been beneficial. Additionally, the contracting authority has sufficient knowledge of the market

and potential suppliers based on previous similar requirements and market research.
