## **Pre-Market Engagement for UK Parliament ERP Tender**

Corporate Officer of the House of Lords  
Corporate Officer of the House of Commons

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-084542

Procurement identifier (OCID): ocids-h6vhtk-05f982

Published 18 December 2025, 3:40pm

### **Scope**

### **Reference**

PI1301824

### **Description**

UK Parliament wishes to engage prospective suppliers (both system providers and system implementers) ahead of a competitive procurement exercise for a new ERP Solution.

The scope of this procurement has three key parts:

1. Procure a modern, cloud based ERP solution to support our Finance & Procurement services;
2. Procure the services required to implement this solution for Finance & Procurement, and;

3. Procure optionality in our contract to expand this solution across wider corporate services later in the contract term (e.g. HR, Payroll, Portfolio, Commercial).

At this stage the Authority is seeking to procure these together and are keen to ensure that the procured solution is a market leader in delivering the full range of ERP functionality for Parliament. We are not looking to procure services to implement across HR & Payroll as part of this procurement however, they would be subject to a separate procurement at the point we wished to take the licence options for those modules. We are exploring whether functionality to support our Portfolio & Commercial services will form part of our initial implementation, or our longer term roadmap.

The full breakdown of the scope will be shared through the market engagement and finalised for our ITT.

To express an interest in this pre-market engagement exercise:

1. Register and login to the Authority's eSourcing Portal (<https://atamis-ukparliament.my.site.com/s/Welcome>).
2. Find the notice titled "Pre-Market Engagement for UK Parliament ERP Tender" and click on "Register Interest".
3. Once you have done this, please log in and navigate to "My Proposals". From there you will be able to access the area that has been set up for expressions of interest to be submitted to the Authority.

- 1 October 2026 to 30 September 2031
- Possible extension to 30 September 2036
- 10 years

### **Main procurement category**

Goods

## **CPV classifications**

- 48451000 - Enterprise resource planning software package
- 72263000 - Software implementation services
- 48000000 - Software package and information systems

---

## **Engagement**

### **Engagement deadline**

9 January 2026

### **Engagement process description**

The Authority's current intention is to compete this tender via the CCS Back Office Software 2 framework (RM6285), however this has not yet been finalised. As such, this engagement is open to all prospective suppliers, not just those on RM6285. The outputs of this engagement will inform the Commercial Strategy.

This pre-market engagement exercise shall be conducted in three stages:

- Stage 1 - The Authority will hold a webinar for prospective Bidders on 12 January 2026 in order to share an overview of Parliament, the required service, and an explanation of the remaining stages of the pre-market engagement exercise. Prospective suppliers must express their interest in this webinar, and the remaining stages of the engagement no later than 12:00 (GMT) on 9th January 2026. Expressions of Interest received after this deadline may not be considered for the remaining stages.

Expressions of Interest must only be made via the Authority's eSourcing Portal (see instructions in the description of this notice).

- Stage 2 - Prospective suppliers that expressed an interest before the abovementioned deadline will be invited to attend an in-person engagement session on 26th January 2026. This session will consist of a more detailed presentation from the Authority on the requirements, as well as the opportunity for group discussions and feedback.

Stage 3 - A post-event questionnaire will be issued to prospective suppliers seeking further detailed feedback on the Authority's procurement approach and route to market.

Involvement in this engagement will not impact prospective supplier's future involvement in the tender exercise.

Further stages of engagement may be conducted, with a further event or workshop in February 2026 if the necessary outputs have not been obtained from the initial 3 stages.

---

## **Participation**

### **Particular suitability**

- Small and medium-sized enterprises (SME)
- Voluntary, community and social enterprises (VCSE)

---

## **Submission**

### **Publication date of tender notice (estimated)**

31 March 2026
