P2025-227

Description

The Digital Supply Chain Hub Virtual Hub is an existing platform delivered by an external supplier. It currently hosts several features including dashboards, learning modules, matchmaking tools, forums, and a toolbox of digital supply chain resources.

Digital Catapult requires market input to understand:

- capability to continue development and maintenance of the Virtual Hub platform
- capability to support or deliver a migration away from the incumbent architecture
- appetite from suppliers to work within uncertain timelines due to unconfirmed funding
- indicative costs for a range of delivery models
- Programme continuation from April 2026 is not yet confirmed, and any procurement activity will be dependent on funding approval.

Subject to funding confirmation, the indicative contract duration is 1 year, with an option to extend for two (2) further periods of 12 months each.
